KALYANAM

A HEALTH CONCLAVE

ONE DAY. ONE PLACE. ONE MISSION.

The word **KALYANAM** is rooted in the Sanskrit term “Kalyāna” - meaning welfare, well-being, good health, prosperity, and the greater public good. It symbolizes a holistic approach to health that encompasses physical, mental, emotional, and social well-being.

The event has been conceived with the belief that a healthy society is the foundation of a prosperous nation.

By bringing together healthcare institutions, government agencies, medical professionals, wellness organizations, and citizens on a common platform, **KALYANAM** seeks to promote preventive healthcare, encourage early diagnosis, create awareness about healthy living, and ensure that quality healthcare reaches every section of society.

KALYANAM is more than an event-it is a movement towards a healthier, happier, and more resilient Belagavi.

KALYANAM – A HEALTH CONCLAVE AT BELAGAVI

KALYANAM is a one - day health Conclave at Belagavi, bringing together leading healthcare institutions, experts, and wellness partners to create awareness, promote preventive healthcare, and provide guidance for a healthier life.
